Third paragraph: PEPS provides weekly updates					
to CDS, which adds new schools and provides					
demographic updates. The GUI interface is used					
to convert existing schools to the Direct Loan					
program and to perform eligibility updates.	77	Allen Prodgers	2/14/00	Y	
Add a block for subsequent disbursements (FLB					
transactions).	81	Allen Prodgers	2/14/00	Y	
The FLC transaction was only utilized prior to					
year 6.	81	Allen Prodgers	2/14/00	Y	
CDS is notified of a borrower's delinquency					
status by servicing sending a DDR transaction to					
CDS on a monthly basis.	83	Allen Prodgers	2/14/00	Y	
which was changed in October, 1999. The					
FPA's are now created in Servicing and passed					
to FARS for processing. The FPA's from the					
lockbox come into Servicing later and are					
matched against Servicing's FPAs.					
Discrepancies are handled by the payment center					
(Utica).	85	Allen Prodgers	2/14/00	Y	
First box: The DCN comes to CDS from LC at					
the borrower level. CDS explodes the DCN at					
the loan level and passes them to Servicing.	86	Allen Prodgers	2/14/00	Y	
Third box: Replace FSA with FCA.	86	Allen Prodgers	2/14/00	Y	
In the second box, show FIE as the transaction					
type.	87	Allen Prodgers	2/14/00	Y	
In the last box, change reconverted to					
rehabilitated. Change 270 days to 360 days.	94	Allen Prodgers	2/14/00	Y
